

PRIME MINISTER • PREMIER MINISTRE

November 2–4, 2016

Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the National Association of Career Colleges' annual conference and to all those marking its 120th anniversary.

Career colleges play a crucial role in preparing students for employment in a variety of job categories through training and education. Every year, thousands of Canadians retrain, upgrade or acquire new skills at career colleges, providing a significant benefit to our nation's prosperity.

Since 1896, the National Association of Career Colleges has provided an effective forum for advancing the interests of private educational institutes. This conference offers a wonderful opportunity to look back on the rich history of your organization, to celebrate your many achievements and to set goals for the future.

Please accept my best wishes for a memorable and productive meeting.

Sincerely,

The Rt. Hon. Justin P.J. Trudeau, P.C., M.P.
Prime Minister of Canada
